### **Space & Naval Warfare Systems Center Awards Contract**

SAN DIEGO – Raytheon Support Service Company of Chula Vista, CA is being awarded a \$30,012,260 indefinite delivery/indefinite quantity-type contract with cost plus award fee pricing for engineering, fabrication, integration, installation support service and equipment for Navy militarized and commercial off-the-shelf (COTS) communication systems. These include high frequency (HF), fiber optic, digital data transmission, information exchange and satellite communication systems, the latter including very high frequency (VHF), ultra high frequency (UHF), super high frequency (SHF), extremely high frequency (EHF), and Television Receive Only (TVRO). This contract contains four options which, if exercised, will bring the total cumulative ceiling value of this contract to \$217,439,912. Work will be performed in San Diego (35 %); Norfolk, Va., (35%) and at various other locations inside and outside the continental U.S., dependent upon ships' locations (30%). The period of performance is from September 22, 1998, through September 22, 1999. Contract funds will not expire this fiscal year. This contract was competitively procured, with 76 firms solicited and two offers received. The Space and Naval Warfare Systems Center San Diego is the contracting activity (N66001-98-D-0058).
